Beautiful and historic 4,432 sq. ft. home with 3 bedrooms and 3 baths. Home is on 16+ acres of rolling ground with woods. Has been remodeled to contain modern comforts and an open floor plan without losing its history. Home has 3 sources of heating ranging from 10 mini split systems to an outdoor wood boiler and a propane furnace for backup. Also contains a brand new large pole barn with a shop and equipment storage. Property has been very well cared for and updated for comfort and luxury.
